

Elite Elevators

HYDRAULIC HOME ELEVATORS

We at Elite Elevators, in association with ThyssenKrupp Access have taken hydraulic mechanism to another level. With introduction of Soft Start & Stop feature we make your ride absolutely jerk free & smooth. The reason we command Indian home lifts market is that unlike other hydraulic elevators, our lifts don't require a pit or headroom & operate on single-phase power supply. Our hydraulic lifts were recently awarded in Italy as the 'World's Safest Home Elevators'.

Your life. Your style. Your statement. With home elevator solution from ThyssenKrupp Access, you can bring your vision to life. We set the industry standard with a variety one-of-a-kind looks and unique features with universal design. Ready to give your home a look that rises above the rest? Then it's time for a residential elevator that can help take you to the next level. We provide customers with residential elevators that help make day-to-day living better. Every home elevator has an innovative design to create the ultimate experience. Not only do we ensure every residential elevator undergoes testing.

FEATURES

ThyssenKrupp Home Elevator to perfectly fit any environment, new or existing. The sleek anodised aluminium structure and the standard panoramic glass door, which provides optimum light and visibility, create the elegance of ThyssenKrupp Home Elevator. It is a truly modern product, designed and manufactured to meet a wide range of needs and tastes. From the garage to the roof, ThyssenKrupp Home Elevator travels effortlessly up to five floors.
